

We Need Your Help To Strengthen Black Families

"DID YOU KNOW?"

Black Fathers Matter

- In 2018, California established the Perinatal Equity Initiative (PEI) to address the alarming gap in Black infant mortality statewide.
- Black infant mortality continues to be 2 to 4 times higher than other racial or ethnic groups.
- Fatherhood Initiatives is one of the interventions supported by PEI in reducing Black infant mortality.

Developed by parenting and fatherhood experts, 24/7 Dad teaches men the characteristics they need to be good fathers 24 hours per day, 7 days per week.
